Dear Ms Lankester

Support to Vulnerable People

I am writing to thank you for the support you have provided to vulnerable households within the Borough of Broxbourne over the past year.

At the Council meeting on 25 July, a motion was passed unanimously to acknowledge and appreciate the range of support provided to residents in crisis, including that provided by your own organisation. Please do pass our gratitude and appreciation to all of your staff members and especially your volunteers in this Coronation year given the new King's long-standing commitment to volunteering.

We do hope that you will consider nominating some of your volunteers and services for next year's Broxbourne Community Awards.

Yours sincerely

Councillor Lewis Cocking
Leader of the Council
