

3-Year Strategic Plan (2025-28)

CEO's Outlook

Vision
First choice for local community support with a central emphasis on trust, adaptability & collaboration

Mission
Our strengths include having a strong history, expertise in facilitating change & being a trusted partner

Empower community groups, build local partnerships, deliver social value & improve residents' lives

Over the next 3 years, our focus will be to -

Engage with the Community

Capture community voices across Broxbourne & East Herts

Deepen local government & housing sector ties

Streamline support for greater community impact

Foster talent & raise impact

Support Organisations

Support **500+** organisations

Achieve year-on-year membership growth

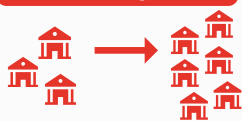

Enhance our collaborative working income streams

Promote local activity

Venue Management

Community Hubs

Expand our reach by 2028

Provide local delivery space

Provide affordable working spaces

One-stop shops for access to community services

Our Promise -

Collective Financial Sustainability

One-to-Many = 1 big effort, shared by many!

We want to raise and manage funding for local groups so they can focus on what they do best - delivering projects that benefit the community and create real change together.

Shape the future with us!

Focus Groups

Our one-to-many offer means we want to co-design, raise funds and collectively deliver a wide range of projects alongside our partners. To succeed in this, we will hold a series of focus groups leading to large consortium-based projects that create real change and lasting benefits for our communities.
